The Economic Consequences of Flood Alerts: Evidence from Employment Outcomes.

Academic Appointments

Colorado State University, Fort Collins, CO

Graduate Research Assistant Spring 2024 – Present

Conducted research on inland flooding in the United States, including a comprehensive review of literature on risk management, economic behavior, and data resources.

Analyzed the labor market impacts of flood alerts using county-level employment data.

Developing a discrete choice experiment survey to study preferences for flood warning systems and policy design.

Instructor, Agriculture and Resource-Based Economic Development (AREC 460) Fall 2023

Teaching Assistant, Agricultural and Resource Economics (AREC 202) Fall 2023

Additional Professional Experience

Colorado WaterWise, Associate Jun 2022 – Sep 2024
Denver, CO

Contributed to municipal water management initiatives and managed the Best Management Practice Update.

Economics Department, Colorado College, Paraprofessional Aug 2022 – May 2023
Colorado Springs, CO

Advised undergraduate students on thesis research design and quantitative analysis.

Led instructional support sessions in Excel and Stata.

State of the Rockies Project, Research Fellow Jun 2021 – Mar 2022
Colorado Springs, CO

Conducted research on historical water supply and management; produced GIS-based mapping outputs.

Economics Department, Colorado College, Research Assistant
Colorado Springs, CO

May 2020 – Jul 2020

Supported environmental economics research on municipal water demand management.

Service and Leadership

UWC Kosovo National Committee, Student Support Officer
Prishtina, Kosovo

Nov 2023 – Present

Established and managed SurveyMonkey Apply application workflow.

Reviewed applications and supported student nominations.

Young Water Professionals Group, Communications Officer
Prishtina, Kosovo

Apr 2022 – Present

Developed outreach materials and coordinated program communications.

Skills

Software: R, Stata, Excel

Languages: Albanian (native); English (fluent); Italian (professional working proficiency)
